St. John's United Methodist Church

Dear Members and Friends of St. Johns,

I would like to express my heart-felt thanks to all of you who helped make the Easter Egg Project such a tremendous success. We learned a lot, worked hard, and I personally enjoyed spending time with each of you in the kitchen and getting to know you better. There were moments of almost panic, when the chocolate misbehaved, to moments of sheer joy, when the last egg was snuggled in its box and received a bow. We hand-rolled and dipped 1525 one-ounce eggs and out of that amount we only lost four that were not useable. I think that's pretty amazing! At one point on Wednesday morning we had thirteen people working, some of whom were not signed up to do so, but just happened to stop by, and I am sure glad you did.

Your contributions of skill, ingredients, time, money, shaping and dipping, decorating, boxing and labeling were a labor of love...and it showed. Be proud of yourself for a job well-done! Finally, I wish to thank all those who placed orders for yourselves and others. This endeavor would not have happened without those of you who gave encouragement by placing orders. I appreciate your love and support, but most of all I thank the Lord for your participation and the wonderful team spirit that we shared during this project.

*Janette Burrough*

## A Note From our Pastor

---

How wonderful to see the church filled to capacity on Easter Sunday. Did you realize that during the first Easter service one of the disciples was missing? Can you imagine that? Of all the services to miss, how could Thomas miss the very first Easter service? John 20:19-31 records the event. The writer tells us the other disciples were behind closed doors and Jesus appeared before them. He blessed them and then showed them his hands and his side before commissioning them to do the work they were called to do. In verse 24 we read, "But Thomas (who was called the Twin), one of the twelve, was not with them when Jesus came." There is no explanation why Thomas was absent. The fact is that we really don't know where he was or what he was doing. He may have been in hiding, for we are told that when Jesus appeared to the other disciples they were in fear behind locked doors. He may have been off by himself searching for some understanding of the events that had just transpired. We don't know why he was not there. We only know he was absent. The truth is that just like Thomas, we also risk missing something potentially great when we are absent from the assembling of God's people. How could Thomas have known that the one time he was out doing whatever it was that he was doing, Christ would appear? There is something wonderful about coming together as God's people and realizing as a corporate body just how much God loves us. Specifically, God loves you. Let that message be the foundation and the cornerstone of your life. Jesus did not go to Calvary just so we have another holiday or even to stimulate the economy with people doing additional shopping. He went to the cross because he loves you. He emerged from the tomb, leaving it empty, to announce that eternal life is yours and mine, through his love.

Think about that as you go about the business of living. Let it be the foundation of all your relationships. The spirit of Christ's love has been placed within us and because of that we can never be the same. The spirit of Easter is planted in our very being. We are now to cultivate and grow that planting. We all know about the importance of providing a good foundation, when it is in building a home or a life. Christ has laid the foundation. What will we build upon it?

Thanks for your faithfulness. *Pastor Bill*

Making Homes Warmer, Safer and Drier  
Transforming Lives

Patti Parker – ASP Coordinator  
Angie Garrison – Assistant ASP Coordinator

**ASP 2011 – Mingo County, West Virginia**  
**July 24<sup>th</sup> – July 30<sup>th</sup>**

We are very excited to announce that this summer St. John's will be living the ASP theme: "Follow the Word & Transform the World" with **THREE** teams on our ASP mission trip to Mingo County, WV, the week of July 24-July 30. We are excited to have this opportunity to serve our AWESOME God by helping families in need in Central Appalachia as we embark on our 22<sup>nd</sup> year with ASP.

Every year, more than 12,000 youth from around the country come to rural Central Appalachia to help Appalachia Service Project (ASP) repair homes for low-income families. They bring boundless energy and spread tons of hope. ASP'S goal is to make homes warmer, safer, and drier for needy families throughout Kentucky, Tennessee, Virginia, and West Virginia. We might install insulation, repair porches or reinforce foundations; but ASP is much more than just a building program – forging friendships and sharing God's love is just as important as swinging hammers. We'll get to know the families we're serving, we'll meet volunteers from other churches and we'll come home with a renewed and strengthened faith because of our experience.

This summer St. Johns will be taking 10 adults and 11 youth to join approximately 450 other church groups in a week of service at one of the 28 ASP Summer Centers. These groups will spend Monday through Friday repairing the homes of families caught in economic despair. After a few days of hard work repairing homes with ASP, their hands will become a little tougher, their arms a little stronger, and their relationships with God a whole lot deeper. In the evenings, they will learn more about poverty issues and Appalachian culture, process their daily activities, and enjoy recreation and fellowship with new-found friends. They will return home with a passion for service, a renewed compassion for other people, and a fresh appreciation for their place and purpose in this world.

This year's theme, "**Follow the Word, Transform the World**" is based on **Romans 12:2** "**Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God – what is good and acceptable and perfect.**" ASP volunteers are **strongly committed** to serving the Lord by preparing themselves mentally, physically and spiritually for this mission. Much is expected of an ASP group!!! Studying, teambuilding, fundraising and following Christ will all be part of our ASP experience.

This year as we travel to Mingo County, West Virginia, to be the "Hands and Feet" of Christ, we ask for your prayers and your encouragement as a lot of us are stepping outside our comfort zone and depending on our faith and our God to strengthen and enable us to participate in this life changing mission.

Appalachia's poorest families urgently need our help, but they will change our lives too. Because when you put your faith in action, God acts in your heart. And when you change the lives of

others, they have a way of changing you. We need your help to make a lasting dent in Appalachian poverty. So if you are interested in supporting your St. John's ASP teams, we ask that you consider sponsoring us with a donation to help us to cover the cost of this week of service.

The cost for one week on ASP is \$50 per day, per volunteer. With 21 enthusiastic volunteers, we need your help! All money contributed is 100% tax-deductible, greatly appreciated and is used to pay for work supplies and materials, our transportation to Mingo County and room & board at a school in the community we serve. If you are able to make a donation in any amount, please make your check payable to St. John's UMC, and in the memo section, write "**ASP 2011**" to ensure proper credit. You can then mail your check to St. John's or put it in the offertory plate on any Sunday.

We ask that you keep all of our volunteers in your prayers, whether you can make a donation for our trip or not. Please lift up the families we will serve, the ASP staff, and the ministry of ASP as a whole. We encourage you to prayerfully consider supporting our mission in any way that you can.

Thank you and God Bless you from your 2011 ASP Volunteers!!!

# A Note from the CELT

---

*No God, No Peace - Know God, Know Peace!* That's what the bumper sticker on the car in front of me said while I sat parked along one of the seemingly endless construction stretches along the Capital Beltway. It was a good time to pause and think about that bumper sticker and the meaning behind it.

The Apostle Paul said, *"Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."* (Philippians 4:6-7).

Recent surveys show membership in most churches dropping in the last decades. Attendance in Sunday Schools and Worship services have waned (1.6 Million in 1968 to 846,000 in 2009 - from [www.churchsociety.org](http://www.churchsociety.org)). In this "Information Age," media-hype, false data, impressions, blogs, and individual agendas pervade the communication waves. This has always been true since the beginnings of the early Christian church when various persons and personalities struggled to lead the new Christian believers.

How do we get to know God - and peace -- if we don't try to learn the scripture given us in the Bible? Learning scripture through Bible Studies and Sunday School educates us in the stories of Christ and the Bible. By doing so, we can know the truth of the Word as a light and an anchor to hold on to when our behavior, belief and value systems are challenged.

**Bible Studies for Adults** is available to everyone at St John's for our learning and spiritual foundation.

## Adult Bible Study (Sundays, 9-10 AM)

Young Adults	Debbie Ashby/JR Stratton	McDonald's
Life Applications	Suzanne Dorick	S-2
New Beginnings	Allen Lovell	S-5
Bible Study	Rusty Grimsley	S-9
Bible Study	Bob Winstead	Parlor

In addition to the Adult Bible Study classes above, another **Bible Study with June Aylor** is offered on **Thursdays, 10:30 AM - Noon** in the church library. This weekly Bible Study gives thoughtful discussion and reading from the Old and New Testaments.

Beginning in June, for 13 weeks through summer, St John's will offer a **"One-Room Sunday School" for Children and Families (9:00 - 10:00 AM)**. The program will offer Bible stories, lessons, crafts, play and song to children ages 4 - 5th grade. Parents and older siblings will be invited to come! We are planning a "kick-off" breakfast in early June and will let the fun - and learning - begin! *Stay tuned for more information...*
